

Food Trucks

Code: ANCMF-AU-GB-FT-02 • Facility: Government Building • Frequency: daily

Scope of Work

- Thorough cleaning and sanitising of all food preparation surfaces.
- Regular wiping and disinfecting of high-touch areas such as handles, taps, and switches.
- Emptying and sanitising rubbish bins.
- Cleaning and mopping of floors to remove spills and debris.
- Dusting and wiping of external surfaces and equipment.
- Ensuring all cleaning activities comply with Australian workplace health and safety requirements.

Method

1. Use a colour-coded cleaning system to prevent cross-contamination.
2. Begin by removing all loose debris and rubbish from the area.
3. Apply appropriate cleaning agents to surfaces, allowing adequate contact time for effective sanitisation.
4. Wipe down surfaces with clean, damp cloths, ensuring no residue remains.
5. Mop floors with a disinfectant solution, paying special attention to corners and under equipment.
6. Inspect all areas for cleanliness and repeat any necessary steps to meet quality criteria.

Equipment

- Colour-coded cleaning cloths and mops.
- Sanitising agents compliant with Food Standards Australia New Zealand.
- Cleaning trolleys equipped with necessary supplies.
- Rubbish bins with liners.
- Personal protective equipment (PPE) such as gloves and masks.
