

Playground

Code: ANCMF-AU-H-P-01 • Facility: Hospitality • Frequency: daily

Scope of Work

- Sanitising all play equipment surfaces, including slides, swings, and climbing frames.
- Wiping down benches, tables, and seating areas.
- Vacuuming and mopping all rubber and soft-fall surfaces.
- Emptying and sanitising rubbish bins.
- Dusting and wiping all signage and information boards.
- Cleaning and sanitising drinking fountains and taps.
- Ensuring all pathways and entry points are free from debris and litter.

Method

1. Use a colour-coded cleaning system to prevent cross-contamination.
2. Begin by removing all visible debris and litter from the area.
3. Sanitise all play equipment using a suitable disinfectant, ensuring all surfaces are thoroughly wiped.
4. Vacuum and mop all flooring surfaces, paying special attention to high-traffic areas.
5. Empty rubbish bins and replace liners, ensuring bins are sanitised before replacing.
6. Wipe down all seating and table surfaces with a disinfectant solution.
7. Clean and sanitise drinking fountains and taps, ensuring no residue is left.
8. Conduct a final inspection to ensure all areas meet the quality criteria.

Equipment

- Colour-coded cleaning cloths and mops
- Disinfectant and sanitising solutions
- Vacuum cleaner suitable for outdoor use
- Mop and bucket
- Rubbish bin liners
- Cleaning trolley

Quality Criteria

Performance Level	Criteria
Excellent	All surfaces are visibly clean and free from dirt, dust, and debris. No odours present. All equipment is sanitised and dry. Rubbish bins are empty and sanitised. Drinking fountains are spotless and operational.
Good	Minor traces of dust or debris on non-essential surfaces. No strong odours. Equipment is mostly sanitised. Rubbish bins are empty but may have minor residue. Drinking fountains are clean with minor water spots.
Pass	Visible dust or debris on some surfaces. Mild odours present. Equipment is partially sanitised. Rubbish bins are not overflowing but have visible residue. Drinking fountains have water spots and minor residue.
Fail	Significant dirt, dust, or debris on surfaces. Strong odours present. Equipment is not sanitised. Rubbish bins are overflowing or unsanitised. Drinking fountains are dirty or non-operational.
