

Sports Court

Code: ANCMF-AU-H-SC-02 • Facility: Hospitality • Frequency: daily

Scope of Work

- Dust and sweep the entire court surface to remove loose debris.
- Mop the court using a damp mop with a suitable cleaning solution to remove stains and marks.
- Sanitise all high-touch surfaces, including benches, railings, and door handles.
- Empty and clean rubbish bins, replacing liners as needed.
- Inspect and clean surrounding areas, including spectator seating and entryways.
- Ensure all cleaning activities comply with Australian workplace health and safety requirements.

Method

1. Begin by dusting and sweeping the entire court surface using a broom or dust mop to collect loose dirt and debris.
2. Prepare a cleaning solution suitable for the court surface, ensuring it is safe and non-damaging.
3. Use a damp mop to clean the court, starting from one end and working systematically to the other, ensuring even coverage.
4. Sanitise high-touch areas with a disinfectant spray and cloth, focusing on benches, railings, and door handles.
5. Empty rubbish bins, clean them with a disinfectant, and replace liners.
6. Inspect surrounding areas, including spectator seating and entryways, and clean as necessary.

Equipment

- Broom or dust mop
- Damp mop and bucket
- Cleaning solution suitable for sports court surfaces
- Disinfectant spray
- Cloths and wipes
- Rubbish bin liners

Quality Criteria

Performance Level	Criteria
Excellent	All surfaces are visibly clean and free of debris, stains, and marks. High-touch areas are sanitised and free of smudges. Rubbish bins are empty and clean. No unpleasant odours are present.
Good	Surfaces are mostly clean with minor debris or marks. High-touch areas are mostly sanitised. Rubbish bins are empty but may have minor residue. No strong odours are present.
Pass	Surfaces have some visible debris or marks. High-touch areas are partially sanitised. Rubbish bins are emptied but not cleaned. Mild odours may be present.
Fail	Surfaces are visibly dirty with significant debris or marks. High-touch areas are not sanitised. Rubbish bins are full or dirty. Strong unpleasant odours are present.
