

CT Scan Room

Code: ANCMF-AU-HF-CSR-01 • Facility: Healthcare Facility • Frequency: daily

Scope of Work

- Dust all horizontal and vertical surfaces, including equipment and ledges.
- Sanitise all high-touch surfaces such as door handles, light switches, and control panels.
- Vacuum and mop floors using a colour-coded system to prevent cross-contamination.
- Empty and sanitise rubbish bins, replacing liners as needed.
- Clean and sanitise the CT scanner exterior, ensuring no residue or marks remain.
- Inspect and clean air vents and grilles to ensure dust-free operation.
- Ensure all cleaning activities comply with Australian infection control guidelines.

Method

1. Prepare the cleaning trolley with appropriate colour-coded cloths and mops.
2. Dust all surfaces using a microfibre cloth, starting from the highest point and working downwards.
3. Sanitise high-touch areas with a hospital-grade disinfectant, allowing appropriate contact time.
4. Vacuum the floor using a HEPA-filter vacuum cleaner to capture fine particles.
5. Mop the floor with a damp mop, using a neutral detergent, and allow to air dry.
6. Dispose of rubbish and replace bin liners, ensuring bins are sanitised.
7. Inspect and clean air vents with a damp cloth to remove dust build-up.

Equipment

- Microfibre cloths (colour-coded)
- HEPA-filter vacuum cleaner
- Cleaning trolley
- Hospital-grade disinfectant
- Colour-coded mop and bucket
- Rubbish bin liners

Quality Criteria

Performance Level	Criteria
Excellent	All surfaces are visibly clean and free from dust and marks. High-touch areas are sanitised with no residue. Floors are spotless with no streaks. Air vents are dust-free. No odours present.
Good	Minor dust on non-critical surfaces. High-touch areas are sanitised with minimal residue. Floors are clean with slight streaks. Air vents have minimal dust. No strong odours present.
Pass	Noticeable dust on some surfaces. High-touch areas are sanitised but with visible residue. Floors have visible streaks. Air vents have visible dust. Mild odours present.
Fail	Significant dust accumulation. High-touch areas not sanitised. Floors are dirty with visible marks. Air vents clogged with dust. Strong odours present.
