

Emergency Access Road

Code: ANCMF-AU-I-EAR-01 • Facility: Industrial • Frequency: daily

Scope of Work

- Remove all rubbish and debris from the road surface and surrounding areas.
- Sweep the road surface to remove dust and loose particles.
- Sanitise any areas with visible stains or spills using appropriate cleaning agents.
- Inspect and clean drainage grates to ensure they are free from blockages.
- Ensure all signage is clean and visible.
- Check and clean any lighting fixtures for visibility and safety.

Method

1. Conduct a visual inspection of the entire emergency access road to identify areas requiring attention.
2. Use a broom or mechanical sweeper to remove loose debris and dust from the road surface.
3. Collect and dispose of rubbish in designated rubbish bins.
4. Apply a suitable cleaning agent to any stained areas and scrub with a brush.
5. Rinse the cleaned areas with water and ensure no residue is left.
6. Inspect drainage grates and remove any blockages using appropriate tools.
7. Wipe down signage and lighting fixtures with a damp cloth to remove dust and dirt.

Equipment

- | | | |
|--|-------------------------|---|
| • Broom or mechanical sweeper | • Brushes for scrubbing | • Personal protective equipment (PPE) as required |
| • Rubbish bags | • Water supply and hose | |
| • Cleaning agents suitable for outdoor use | • Cloths for wiping | |

Quality Criteria

Performance Level	Criteria
Excellent	Road surface is completely free of debris, dust, and stains. Drainage grates are clear and functional. Signage and lighting are spotless and fully visible.
Good	Minor dust or debris present but does not impede access. Drainage grates are mostly clear. Signage and lighting are clean with minor smudges.
Pass	Some debris or dust present but access is not significantly impeded. Drainage grates have minor blockages. Signage and lighting are visible but may have noticeable dirt.
Fail	Significant debris or dust impeding access. Drainage grates are blocked. Signage and lighting are obscured by dirt or damage.
