

Perimeter Road

Code: ANCMF-AU-TH-PR-03 • Facility: Transportation Hub • Frequency: daily

Scope of Work

- Remove all rubbish and debris from the perimeter road and surrounding areas.
- Sweep and clean all kerbs, gutters, and pathways adjacent to the perimeter road.
- Sanitise all public seating and touchpoints along the perimeter road.
- Ensure all rubbish bins are emptied and cleaned regularly.
- Remove any graffiti or markings from surfaces along the perimeter road.
- Inspect and clean signage for visibility and cleanliness.
- Ensure all drains and water outlets are free from blockages and debris.

Method

1. Conduct a visual inspection of the perimeter road to identify areas requiring attention.
2. Use a broom and dustpan to sweep debris and litter into a rubbish bag.
3. Utilise a high-pressure hose to clean kerbs and gutters as needed.
4. Apply a sanitising solution to public seating and touchpoints using a spray bottle and cloth.
5. Empty rubbish bins into a trolley and replace bin liners.
6. Use a graffiti removal solution to clean affected surfaces.
7. Wipe down signage with a damp cloth to remove dirt and grime.
8. Check drains and water outlets, removing any obstructions manually.

Equipment

- Broom and dustpan
- High-pressure hose
- Sanitising solution and spray bottle
- Rubbish bags and trolley
- Graffiti removal solution
- Cloths and wipes
- Personal protective equipment (PPE)

Quality Criteria

Performance Level	Criteria
Excellent	No visible litter or debris; all surfaces are clean and sanitised; bins are empty and clean; no graffiti present; signage is clear and legible; drains are unobstructed.
Good	Minor litter or debris present; surfaces are mostly clean; bins are mostly empty and clean; minor graffiti present; signage is mostly clear; drains are mostly unobstructed.
Pass	Noticeable litter or debris; surfaces require cleaning; bins are full but not overflowing; graffiti is present but not excessive; signage is legible but dirty; drains have minor obstructions.
Fail	Significant litter or debris; surfaces are dirty; bins are overflowing; excessive graffiti present; signage is illegible; drains are blocked.
